

ER-8-5074

30 July 1956

Mr. Roger W. Jones  
Assistant Director for  
Legislative Reference  
Bureau of the Budget  
Washington 25, D. C.

Dear Mr. Jones:

I refer to your memorandum of 27 July 1956 concerning S. 4203, a bill to amend the Atomic Energy Act of 1954.

This Agency has been interested in Section 14 of this bill, which amends Section 145 of the Atomic Energy Act of 1954, as amended. The language contained in Section 14 is identical with language originally recommended to the Congress by the Department of Defense. Inasmuch as this Agency concurred in this proposed language prior to its submission to the Congress, and has urged its passage by the Congress, we recommend favorable action by the President, insofar as this section is concerned.

This Agency does not have any comment on the other provisions of S. 4203.

Sincerely yours,

IG:NSPaul/blc
